Avengers Character Playset

1) Print out the pages on regular paper or cardstock and cut out the pieces. Do not cut along the dotted lines – this is where you will fold the paper.

2) Fold each piece in half along the dotted line. Using glue or double-sided tape, secure each piece so the design is two-sided. Do not glue or tape the tabs at the bottom, these will be used to make your pieces stand.

3) Fold the tabs at the bottom of each piece in opposite directions; they should stand up like picture frames when finished.

4) Cut out the background and prop it up. Add your Avengers and villains to the scenery and let the adventures begin!
