HALLOWEEN SPOOKY STORY GAME

How to play: Sit in a circle with friends. The first player will draw a card and begin the story. Set a 1 minute timer. When the timer goes off, the person to the right of that player will draw a card and take over the story, using the card drawn as a prompt for a twist. Continue setting a 1 minute timer for each player until you run out of cards. The person who draws the last card will choose the story's ending.
